

House Concurrent Resolution No. 93

100TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE SWAN.

5527H.011

DANA RADEMAN MILLER, Chief Clerk

1 **WHEREAS**, Speaker Nancy Pelosi, Chairman Adam Schiff, and the House of
2 Representatives of the United States engaged in a rushed and overtly political attempt to impeach
3 President Donald Trump; and

4

5 **WHEREAS**, the House of Representatives failed to identify a single criminal act upon
6 which to base the Articles of Impeachment transmitted to the Senate; and

7

8 **WHEREAS**, the Constitution is abundantly clear that impeachment is a tool of last resort
9 to be applied only after the commission of "high crimes and misdemeanors"; and

10

11 **WHEREAS**, the Articles of Impeachment approved by the House were supported solely
12 by members of a single political party, illustrating that it was purely partisan in nature; and

13

14 **WHEREAS**, the U.S. Senate - including Senator Roy Blunt and Senator Josh Hawley
15 - voted to acquit President Trump, exonerating him and revealing the House's impeachment
16 attempt to simply be an act of political gamesmanship:

17

18 **NOW THEREFORE BE IT RESOLVED** that the members of the House of
19 Representatives of the One Hundredth General Assembly, Second Regular Session, the Senate
20 concurring therein, hereby condemn the politicization of impeachment by the United States
21 House and thank Senator Roy Blunt and Senator Josh Hawley for properly voting to acquit
22 President Trump; and

23

24 **BE IT FURTHER RESOLVED** that the Chief Clerk of the Missouri House of
25 Representatives be instructed to prepare a properly inscribed copy of this resolution for the
26 United States House of Representatives, the United States Senate, Chief Justice John Roberts,
27 and President Donald J. Trump.
