

HB 1510 -- URBAN REHABILITATION PROJECTS

SPONSOR: Lynch

This bill changes the definition of "organization" to include veteran-owned businesses, in Sections 447.620 through 447.640, RSMo, which allows certain organizations to take possession of and rehabilitate abandoned real property.

This bill also repeals an exemption in the definition of "parties of interest" that exempts any municipality contained wholly or partially within a county with a charter form of government and with more than 600,000 but less than 700,000 inhabitants.
