

HB 1641 -- AUTOCYCLES

SPONSOR: Taylor

COMMITTEE ACTION: Voted "Do Pass" by the Standing Committee on Transportation by a vote of 13 to 0. Voted "Do Pass" by the Standing Committee on Rules- Administrative Oversight by a vote of 10 to 0.

This bill removes from the definition of "autocycle" the provision that it is designed to be controlled with a steering wheel and pedals.

PROPONENTS: Supporters say that a new type of autocycle has handlebars instead of a steering wheel, so the Department of Revenue will not register it.

Testifying for the bill was Representative Taylor.

OPPONENTS: There was no opposition voiced to the committee.
