

HB 1730 -- TOBACCO PRODUCTS FOR MINORS

SPONSOR: Shaul (113)

This bill changes the age of a minor for purposes of tobacco sales and possession from 18 to 21 years of age. A person cannot sell tobacco products, including vaping products, to a person who is under 21 and a person who is under 21 years of age cannot purchase or possess tobacco products, including vaping products.

The bill preempts the field of regulating the sale of tobacco products and state statute supercedes any local laws or ordinances, except for local taxes on the sale of tobacco products.
