

HB 1800 -- PURPLE HEART LICENSE PLATES

SPONSOR: Morris (140)

Currently, Purple Heart recipients may receive specialty Purple Heart license plates by paying the regular registration fees and may not be charged an additional fee. This bill allows for the issuance of two sets of these specialty license plates. The first set of plates shall be issued without a fee and only the regular registration fee shall apply to any additional set of plates.

Additionally, in the event of the death of a Purple Heart recipient, the co-owner of the motor vehicle who was also the spouse of the deceased may use and renew the license plates until he or she remarries or, if they do not remarry, for the remainder of their life.

This bill is the same as HB 713 (2019).
