

HB 1868 -- CAREER AND TECHNICAL EDUCATION CERTIFICATES

SPONSOR: Swan

This bill requires the State Board of Education, in consultation with the Career and Technical Advisory Council, to develop a statewide plan establishing the minimum requirements for a Career and Technical Education (CTE) Certificate. Each local school district shall determine the curriculum, programs of study, and course offerings based on the requirements of the statewide plan.

This bill is similar to SB 536 (2020).
