

HB 1912 -- RECREATION VEHICLE DEALERS

SPONSOR: Bailey

Currently, a recreation vehicle (RV) manufacturer must repurchase new, untitled RVs from the current and prior model year from an RV dealer when the dealer agreement is terminated, canceled, or not renewed by the manufacturer for cause. This bill modifies such repurchase to include voluntary dealer terminations within the RV dealer agreement, discontinuation of a franchise or line-make, distributor changes, and ceasing to do business in the state. The bill also limits the repurchase to vehicles that have not been altered or damaged with less than 5,000 miles of usage.
