

HB 1950 -- PREGNANCY-RELATED SERVICES

SPONSOR: Morgan

This bill requires all organizations that provide pregnancy-related services or counseling to provide medically accurate and unbiased information about birth control, adoption, labor and delivery, and postpartum care. The bill defines pregnancy-related services as services including, but not limited to, family planning, abortion care, prenatal care, labor and delivery, and postpartum care.

This bill is similar to HB 2296 (2018).
