

HB 2032 -- POWERSPORT VEHICLES

SPONSOR: Ruth

This bill defines powersport vehicles to include motorcycles, all-terrain vehicles, motorized bicycles, motortricycles, recreational off-highway vehicles, and utility vehicles. These powersport vehicles will all be subject to the vehicle franchising practices rules under Chapter 407, RSMo. Currently, only motorcycles and all-terrain vehicles are regulated under that chapter.

This bill is the same as HB 1112 (2019).
