

HB 2273 -- HOME SCHOOL ACTIVITIES

SPONSOR: Deaton

This bill specifies that, school districts shall not receive funding under the Foundation Formula if such district is a member of, or remits any funds to, any statewide activities association that prohibits a home school student from participating in any event or activity offered by the school district, or requires a home school student to attend the public school for any portion of a school day in order to participate in any event or activity. The Department of Elementary and Secondary Education (DESE) is required to withhold payments to districts in violation of this bill until such district proves to the State Board of Education (SBE) that the school district has ceased membership in the organization.

This bill further provides that a statewide activities association shall not prohibit or restrict any school district that is a member of the association from participating in any events authorized or regulated by the association with any school that is not a member of the association.

This bill is similar to SB 875 (2020) and SB 130 (2019).
