

HB 2323 -- INTERNET AND SOCIAL MEDIA AWARENESS IN SCHOOLS

SPONSOR: Gannon

This bill will require school districts and charter schools to maintain a policy on Internet and social media awareness beginning with the 2021-22 school year. The purpose of the policy is outlined in the bill. The policy will ensure that all students in fourth grade receive instruction for online courses and appropriate online behavior as outlined in the bill. The policy will specify other age-appropriate opportunities for all students to receive necessary instruction on Internet use and social media awareness.
