

HB 2732 -- A+ SCHOOLS

SPONSOR: McDaniel

This bill requires the Department of Higher Education and Workforce Development (DHEWD) to develop a procedure for the reimbursement of the cost of tuition, books, and fees for four-year public colleges or universities, for any student enrolled in an education degree program. The bill expands the current A+ program to allow for tuition expenses for eligible students in years three and four of a teaching education program to be converted to a loan that, upon graduation and five years of employment in a public school shall be forgiven as set forth in the bill.
