FISCAL ANALYSIS

ASSUMPTION

§§84.344 and 285.040 - Residency Requirement

Officials from the **City of St. Louis** state the Fiscal Manager of the **St. Louis Metropolitan Police Department**, the Deputy Director of the **City of St. Louis's Public Safety Department** and the Chief of the **St. Louis Fire Department** all stated there would be no measurable fiscal impact from the passage of this legislation.

Oversight notes §84.344 and §285.040 remove the residency requirement for all employees of the City of St. Louis Police Department and public safety employees of the City of St. Louis. Oversight assumes these sections of the proposal could have a potential indirect impact on the City of St. Louis (such as an increase in earnings tax collections if the removal of the residency requirement aids the City of St. Louis in hiring additional public safety employees that reside outside the city limits but will be employed within the city); however, Oversight assumes these sections will have no direct fiscal impact on state or local governments.

<u>FISCAL IMPACT - State Government</u>	FY 2021	FY 2022	FY 2023
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2021	FY 2022	FY 2023
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This proposal has an emergency clause and sunsets September 1, 2023.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
