

HB 61 -- INSURANCE COVERAGE FOR MENTAL HEALTH

SPONSOR: Razer

This bill requires that any rules must prohibit a health benefit plan from imposing a nonquantitative treatment limitation with respect to mental health condition benefits unless under the terms of the plan, any factors used in applying the nonquantitative treatment limitation to mental health condition benefits are comparable to and are applied no more stringently than the factors used in applying the limitation with respect to medical or surgical benefits.

This bill is the same as HB 1528 (2020) and HB 2384 (2018).
