

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 64, Page 72,  
2 Section 579.076, Line 12, by inserting after all of said section and line the following:

3  
4 "Section 1. The Missouri dental board may collaborate with the department of health and  
5 senior services and the bureau of dental health and may approve pilot projects to examine new  
6 methods to extend care to underserved populations. These pilot projects may employ techniques or  
7 approaches to care that are outside existing statutes and rules provided:

8 (1) The project plan has a clearly stated objective of serving a specific underserved  
9 population that warrants, in the opinion of a majority of the board, granting approval for a pilot  
10 project;

11 (2) The project has a finite start date and termination date;

12 (3) The project clearly defines the new techniques or approaches it intends to examine to  
13 determine if it results in an improvement in access or quality of care;

14 (4) The project plan identifies specific and limited locations and populations to participate in  
15 the pilot project;

16 (5) The project plan clearly establishes minimum guidelines and standards for the pilot  
17 project including provisions for protecting safety of participating patients;

18 (6) The project plan clearly defines the measurement criteria it will use to evaluate the  
19 outcomes of the pilot project on access and quality of care; and

20 (7) The project plan identifies reporting intervals to communicate interim and final outcomes  
21 to the board."; and

22  
23 Further amend said bill by amending the title, enacting clause, and intersectional references  
24 accordingly.
