For purposes of this subsection, "school zon ans any area upon or around any street or highway as defined in section 302.010 that is visibly tked by a sign erected by a county or municipality as an area in which a school building is
hin a school zone while using a hand-held wireless communication device to make or take par none call or to send, read, or write a text message or electronic message unless the device is ipped with technology allowing for hands-free operation or equipped for voice-recognition ds-free texting and is being used in such manner. For purposes of this subsection, "school zon ans any area upon or around any street or highway as defined in section 302.010 that is visibly tked by a sign erected by a county or municipality as an area in which a school building is
none call or to send, read, or write a text message or electronic message unless the device is ipped with technology allowing for hands-free operation or equipped for voice-recognition ds-free texting and is being used in such manner. For purposes of this subsection, "school zon ans any area upon or around any street or highway as defined in section 302.010 that is visibly ked by a sign erected by a county or municipality as an area in which a school building is
ds-free texting and is being used in such manner. For purposes of this subsection, "school zon ans any area upon or around any street or highway as defined in section 302.010 that is visibly ked by a sign erected by a county or municipality as an area in which a school building is
ds-free texting and is being used in such manner. For purposes of this subsection, "school zon ans any area upon or around any street or highway as defined in section 302.010 that is visibly ked by a sign erected by a county or municipality as an area in which a school building is
ans any area upon or around any street or highway as defined in section 302.010 that is visibly ked by a sign erected by a county or municipality as an area in which a school building is
ated and the sections of street or highway on or adjacent to the school property that are
ignated by signs indicating that it is a school zone and showing the posted speed limit.
5. The provisions of subsection 1 through subsection [3] $\underline{4}$ of this section shall not apply
son operating:
(1) An authorized emergency vehicle; or
(2) A moving motor vehicle while using a hand-held electronic wireless [communication
<u>nmunication</u> device to:
(a) Report illegal activity;
(b) Summon medical or other emergency help;
(c) Prevent injury to a person or property; or
(d) Relay information between a transit or for-hire operator and that operator's dispatcher
ich the device is permanently affixed to the vehicle.
[5.] 6. Nothing in this section shall be construed or interpreted as prohibiting a person fro
king or taking part in a telephone call, by means of a hand-held electronic wireless
mmunications] <u>communication</u> device, while operating a noncommercial motor vehicle upon
hways of this state. [6.] 7. As used in this section, "electronic message" means a self-contained piece of digit

Action Taken\_\_\_\_\_ Date \_\_\_\_\_

communication that is designed or intended to be transmitted between hand-held electronic wireless 1 2 communication devices. "Electronic message" includes, but is not limited to, electronic mail, a text 3 message, an instant message, or a command or request to access an internet site.

4 [7.] 8. As used in this section, "hand-held electronic wireless [communications] 5 communication device" includes any hand-held cellular phone[, palm pilot, blackberry,] or other 6 mobile electronic device used to communicate verbally or by text or electronic messaging, but shall 7 not apply to any device that is permanently embedded into the architecture and design of the motor 8 vehicle.

9 [8.] 9. As used in this section, "making or taking part in a telephone call" means listening to 10 or engaging in verbal communication through a hand-held electronic wireless communication device. 11

12 [9.] 10. As used in this section, "send, read, or write a text message or electronic message" 13 means using a hand-held electronic wireless [telecommunications] telecommunication device to 14 manually communicate with any person by using an electronic message. Sending, reading, or 15 writing a text message or electronic message does not include reading, selecting, or entering a phone 16 number or name into a hand-held electronic wireless [communications] communication device for 17 the purpose of making a telephone call.

18 [10.] 11. A violation of this section shall be deemed an infraction and shall be deemed a 19 moving violation for purposes of point assessment under section 302.302.

20 [11.] 12. The state preempts the field of regulating the use of hand-held electronic wireless 21 [communications] communication devices in motor vehicles, and the provisions of this section shall 22 supercede any local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, 23 or other political subdivision to regulate the use of hand-held electronic wireless communication 24 devices by the operator of a motor vehicle.

25 26

27

[12.] 13. The provisions of this section shall not apply to:

(1) The operator of a vehicle that is lawfully parked or stopped:

(2) Any of the following while in the performance of their official duties: a law

28 enforcement officer; a member of a fire department; or the operator of a public or private 29 ambulance:

30 (3) The use of factory-installed or aftermarket global positioning systems (GPS) or wireless [communications] communication devices used to transmit or receive data as part of a digital 31 dispatch system; 32 33

(4) The use of voice-operated technology;

34 (5) The use of two-way radio transmitters or receivers by a licensee of the Federal Communications Commission in the Amateur Radio Service."; and 35

36

37 Further amend said bill by amending the title, enacting clause, and intersectional references

38 accordingly.
