- 5. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.
 - 6. Pursuant to section 23.253 of the Missouri sunset act:

1 2

- (1) The provisions of this section shall automatically sunset on December 31, 2027, unless reauthorized by an act of the general assembly; and
- (2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and
- (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.
 - 135.775. 1. For the purposes of this section, the following terms shall mean:
- (1) "Biodiesel blend", a blend of diesel fuel and biodiesel fuel between five percent and twenty percent for on-road and off-road diesel-fueled vehicle use. Biodiesel blend shall comply with the ASTM International specification D7467-19, or the most recent specifications;
- (2) "Biodiesel fuel", a renewable, biodegradable, mono alkyl ester combustible liquid fuel that is derived from agricultural and other plant oils or animal fats and that meets the ASTM International specification D6751-19, or the most recent specification, for Biodiesel Fuel (B100) or (B99) Blend Stock for Distillate Fuels. Biodiesel produced from palm oil is not biodiesel fuel for the purposes of this section, unless the palm oil is contained within waste oil and grease collected within the United States;
 - (3) "Department", the Missouri department of revenue;
 - (4) "Retail dealer", a person that owns or operates a retail service station;
- (5) "Retail service station", a location from which biodiesel blend is sold to the general public and is dispensed directly into motor vehicle fuel tanks for consumption.
- 2. For all tax years beginning on or after January 1, 2022, a retail dealer that sells a biodiesel blend at a retail service station shall be allowed a tax credit to be taken against the retail dealer's state income tax liability. The amount of the tax credit shall be as follows:
- (1) Two cents per gallon of biodiesel blend of at least five percent but not more than ten percent sold by a retail dealer at a retail service station during the tax year for which the tax credit is claimed; or
- (2) Five cents per gallon of biodiesel blend in excess of ten percent sold by a retail dealer at a retail service station during the tax year for which the tax credit is claimed.

Tax credits authorized pursuant to this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized pursuant to this section for any given fiscal year shall not exceed sixteen million dollars.

- 3. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned equally to all eligible retail dealers claiming the credit by April fifteenth of the fiscal year in which the tax credit is claimed.
- 4. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to implement the provisions of this section.

- 5. The department may work with the division of weights and measures within the department of agriculture to validate that the biodiesel blend a retail dealer claims for the tax credit authorized under this section contains a sufficient percentage of biodiesel fuel.
- 6. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.
- 7. Nothing in this section shall be construed to mandate the sale of biodiesel blends in Missouri.
 - 8. Pursuant to section 23.253 of the Missouri sunset act:
- (1) The provisions of this section shall automatically sunset on December 31, 2027, unless reauthorized by an act of the general assembly; and
- (2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and
- (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and
- 135.686. 1. This section shall be known and may be cited as the "Meat Processing Facility Investment Tax Credit Act".
 - 2. As used in this section, the following terms mean:
- (1) "Authority", the agricultural and small business development authority established in chapter 348;
- (2) "Meat processing facility", any commercial plant, as defined under section 265.300, at which livestock are slaughtered or at which meat or meat products are processed for sale commercially and for human consumption;
- (3) "Meat processing modernization or expansion", constructing, improving, or acquiring buildings or facilities, or acquiring equipment for meat processing including the following, if used exclusively for meat processing and if acquired and placed in service in this state during tax years beginning on or after January 1, 2017, but ending on or before December 31, [2021] 2027:
- (a) Building construction including livestock handling, product intake, storage, and warehouse facilities;
 - (b) Building additions;

- (c) Upgrades to utilities including water, electric, heat, refrigeration, freezing, and waste facilities;
 - (d) Livestock intake and storage equipment;
- (e) Processing and manufacturing equipment including cutting equipment, mixers, grinders, sausage stuffers, meat smokers, curing equipment, cooking equipment, pipes, motors, pumps, and valves:
- (f) Packaging and handling equipment including sealing, bagging, boxing, labeling, conveying, and product movement equipment;
 - (g) Warehouse equipment including storage and curing racks;
- (h) Waste treatment and waste management equipment including tanks, blowers, separators, dryers, digesters, and equipment that uses waste to produce energy, fuel, or industrial products;
- (i) Computer software and hardware used for managing the claimant's meat processing operation including software and hardware related to logistics, inventory management, production plant controls, and temperature monitoring controls; and

Page 3 of 5

- (j) Construction or expansion of retail facilities or the purchase or upgrade of retail equipment for the commercial sale of meat products if the retail facility is located at the same location as the meat processing facility;
- (4) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, or otherwise due under chapter 147;
 - (5) "Taxpayer", any individual or entity who:

- (a) Is subject to the tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, or the tax imposed under chapter 147;
- (b) In the case of an individual, is a resident of this state as verified by a 911 address or, in the absence of a 911 system, a physical address; and
 - (c) Owns a meat processing facility located in this state;
- (6) "Used exclusively", used to the exclusion of all other uses except for use not exceeding five percent of total use.
- 3. For all tax years beginning on or after January 1, 2017, but ending on or before December 31, [2021] 2027, a taxpayer shall be allowed a tax credit for meat processing modernization or expansion related to the taxpayer's meat processing facility. The tax credit amount shall be equal to twenty-five percent of the amount the taxpayer paid in the tax year for meat processing modernization or expansion.
- 4. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the credit is claimed. No tax credit claimed under this section shall be refundable. The tax credit shall be claimed in the tax year in which the meat processing modernization or expansion expenses were paid, but any amount of credit that the taxpayer is prohibited by this section from claiming in a tax year may be carried forward to any of the taxpayer's four subsequent tax years. The total amount of tax credits that any taxpayer may claim shall not exceed seventy-five thousand dollars per year. If two or more persons own and operate the meat processing facility, each person may claim a credit under this section in proportion to his or her ownership interest; except that, the aggregate amount of the credits claimed by all persons who own and operate the meat processing facility shall not exceed seventy-five thousand dollars per year. The amount of tax credits authorized in this section and section 135.679 in a calendar year shall not exceed two million dollars. Tax credits shall be issued on an as-received application basis until the calendar year limit is reached. Any credits not issued in any calendar year shall expire and shall not be issued in any subsequent year.
- 5. To claim the tax credit allowed under this section, the taxpayer shall submit to the authority an application for the tax credit on a form provided by the authority and any application fee imposed by the authority. The application shall be filed with the authority at the end of each calendar year in which a meat processing modernization or expansion project was completed and for which a tax credit is claimed under this section. The application shall include any certified documentation, proof of meat processing modernization or expansion, and any other information required by the authority. All required information obtained by the authority shall be confidential and not disclosed except by court order, subpoena, or as otherwise provided by law. If the taxpayer and the meat processing modernization or expansion meet all criteria required by this section and approval is granted by the authority, the authority shall issue a tax credit certificate in the appropriate amount. Tax credit certificates issued under this section may be assigned, transferred, sold, or otherwise conveyed, and the new owner of the tax credit certificate is assigned, transferred, sold, or otherwise conveyed, a notarized endorsement shall be filed with the authority specifying the name and address of the new owner of the tax credit certificate and the value of the tax credit.
- 6. Any information provided under this section shall be confidential information, to be shared with no one except state and federal animal health officials, except as provided in subsection

5 of this section.

- 7. The authority shall promulgate rules establishing a process for verifying that a facility's modernization or expansion for which tax credits were allowed under this section has in fact expanded the facility's production within three years of the issuance of the tax credit and if not, the authority shall promulgate through rulemaking a process by which the taxpayer shall repay the authority an amount equal to that of the tax credit allowed.
- 8. The authority shall, at least annually, submit a report to the Missouri general assembly reviewing the costs and benefits of the program established under this section.
- 9. The authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void.
- 10. This section shall not be subject to the Missouri sunset act, sections 23.250 to 23.298."; and

Further amend said bill, Page 36, Section 143.171, Line 43, by inserting after all of said section and line the following:

"348.436. The provisions of sections 348.430 to 348.436 shall expire December 31, [2021] 2027."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
