Offered By _____

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 141, Page 8, Section
2 523.262, Line 40, by inserting after all of said section and line the following:

3
4 "640.136. 1. Any public water system, as defined in section 640.102, or public water supply
5 district, as described in chapter 247, that intends to start or stop fluoridation of its water supply on a
6 continuing basis shall seek and receive information about the impact of public water fluoridation
7 from the local health department.

8 2. Any public water system or public water supply district that receives information under
9 subsection 1 of this section shall notify the department of natural resources and the department of
10 health and senior services in order to certify that the public water system or public water supply
11 district has sought and received information about the impact of public water fluoridation from the
12 local health department prior to submitting notification of the public water system's or public water
13 supply district's intention to start or stop public water fluoridation on a continuing basis. Any public
14 water system, as defined in section 640.102, or public water supply district, as defined in chapter
15 247, which intends to ~~make modifications to~~ start or stop fluoridation of its water supply on a
16 continuing basis shall notify the department of natural resources, the department of health and senior
17 services, and its customers of its intentions at least ninety days prior to any vote on the matter. The
18 public water system or public water supply district shall notify its customers via radio, television,
19 newspaper, regular mail, electronic means, or any combination of notification methods to most
20 effectively notify customers at least ninety days prior to any meeting at which the vote will occur.
21 Any public water system or public water supply district that violates the notification requirements of
22 this section shall return the fluoridation of its water supply to its previous level until proper
23 notification is provided under the provisions of this section.

24 ~~[2.]~~ 3. In the case of an investor-owned water system, the entity calling for the discussion of
25 modifications to fluoridation shall be responsible for the provisions of this section and all costs
26 associated with compliance."; and

27
28 Further amend said bill by amending the title, enacting clause, and intersectional references
29 accordingly.
