- (4) Establish a partnership with a state-supported postsecondary education institution or more than one such partnership, if a partnership or partnerships are necessary in order to meet the requirements for an adult high school;
- (5) Establish a comprehensive plan that sets forth how the adult high schools will help address the need for a sufficiently trained workforce in the surrounding region for each adult high school;
- (6) Establish partnerships and strategies for engaging the community and business leaders in carrying out the goals of each adult high school;
- (7) Establish the ability to meet quality standards through certified teachers and programs that support each student in his or her goal to find a more rewarding job;
- (8) Establish a plan for assisting students in overcoming barriers to educational success including, but not limited to, educational disadvantages, homelessness, criminal history, disability, including learning disability such as dyslexia, and similar circumstances;
- (9) Establish a process for determining outcomes of the adult high school, including outcomes related to a student's ability to find a more rewarding job through the attainment of a high school diploma and job training and certification; and
 - (10) Bids shall not include an administrative fee greater than ten percent.
- 3. (1) The department of elementary and secondary education shall establish academic requirements for students to obtain high school diplomas.
- (2) Requirements for a high school diploma shall be based on an adult student's prior high school achievement and the remaining credits and coursework that would be necessary for the student to receive a high school diploma if he or she were in a traditional high school setting. The adult student shall meet the requirements with the same level of academic rigor as would otherwise be necessary to attain such credits.
- (3) The adult high school authorized under this section shall award high school diplomas to students who successfully meet the established academic requirements. The adult high school authorized under this section shall confer the diploma as though the student earned the diploma at a traditional high school. The diploma shall have no differentiating marks, titles, or other symbols.
- (4) Students at adult high schools may complete required coursework at their own pace and as available through the adult high school. They shall not be required to satisfy any specific number of class minutes. The adult high school may also make classes available to students online as may be appropriate. However, students shall not complete the majority of instruction of the school's curriculum online or through remote instruction. For the purposes of this subsection, synchronous instruction connecting students to a live class conducted in a Missouri adult high school shall be treated the same as in-person instruction.
- (5) The department of elementary and secondary education shall not create additional regulations or burdens on the adult high school or the students attending the adult high schools beyond certifying necessary credits and ensuring that students have sufficiently mastered the subject matter to make them eligible for credit.
- 4. An adult high school shall be deemed a "secondary school system" for the purposes of subdivision (15) of subsection 1 of section 210.211."; and
