HOUSE AMENDMENT NO. ____

Offered By

AMEND House Amendment No. ____ to House Committee Substitute for Senate Bill No. 323, Page 1, Line 4 by deleting all of the said line and inserting in lieu thereof the following:

"161.214. 1. As used in this section, the following terms mean:

(1) "Board", the state board of education;

(2) "Department", the department of elementary and secondary education;

(3) "School innovation team", a group of natural persons representing:

(a) A single elementary or secondary school;

(b) A group of two or more elementary or secondary schools within the same school district that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;

(c) A group of two or more elementary or secondary schools not within the same school district that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;

(d) A single school district; or

(e) A group of two or more school districts that share common interests, such as geographical location or educational focus, or that sequentially serve classes of students as they progress through elementary and secondary education;

(4) "School innovation waiver", a waiver granted by the board to a single school, group of schools, single school district, or group of school districts under this section, in which the school, group of schools, school district, or group of school districts is exempt from a specific requirement imposed by chapter 160, 161, 162, 167, 170, or 171, or any regulations promulgated under such chapters by the board or the department. Any school innovation waiver granted to a school district or group of school districts shall apply to every elementary and secondary school within the school district or group of school districts unless the plan specifically provides otherwise.

2. Any school innovation team seeking a school innovation waiver may submit a plan to the board for one or more of the following purposes:

(1) Improving student readiness for employment, higher education, vocational training, technical training, or any other form of career and job training;

(2) Increasing the compensation of teachers; or

(3) Improving the recruitment, retention, training, preparation, or professional development of teachers.

3. Any plan for a school innovation waiver shall:

(1) Identify the specific provision of law for which a waiver is being requested and provide an explanation for why the specific provision of law inhibits the ability of the school or school district to accomplish the goal stated in the plan;

(2) Demonstrate that the intent of the specific provision of law can be addressed in a more effective, efficient, or economical manner and that the waiver or modification is necessary to implement the plan;

Action Taken _____ Date _____

1 (3) Include measurable annual performance targets and goals for the implementation of the plan;
 2 (4) Specify the innovations to be pursued in meeting one or more of the goals listed in subsection 2
 3 of this section;
 4 (5) Demonstrate parental, school employee, and community and business support for, and
 5 engagement with, the plan; and
 6 (6) Be approved by at least the minimum number of people required to be on the school innovation
 7 team prior to submitting the plan for approval.
 8 4. (1) In evaluating a plan submitted by a school innovation team under subsection 2 of this section,
 9 the board shall consider whether the plan will:
 10 (a) Improve the preparation, counseling, and overall readiness of students for postsecondary life;
 11 (b) Increase teacher salaries in a financially sustainable and prudent manner; or
 12 (c) Increase the attractiveness of the teaching profession for prospective teachers and active teachers
 13 alike.
 14 (2) The board may approve any plan submitted under subsection 2 of this section if the board
 15 determines that:
 16 (a) The plan successfully demonstrates the ability to address the intent of the provision of law to be
 17 waived in a more effective, efficient, or economical manner;
 18 (b) The waivers or modifications are demonstrated to be necessary to stimulate or improve student
 19 readiness for postsecondary life, increase teacher salaries, or increase the attractiveness of the teaching
 20 profession for prospective teachers and active teachers;
 21 (c) The plan has demonstrated sufficient participation from among the teachers, principal,
 22 superintendent, faculty, school board, parents, and the community at large; and
 23 (d) The plan is based upon sound educational practices, does not endanger the health and safety of
 24 students or staff, and does not compromise equal opportunity for learning.
 25 (3) The board may propose modifications to the plan in cooperation with the school innovation team.
 26 5. Any waiver granted under this section shall be effective for a period of no longer than three school
 27 years beginning the school year following the school year in which the waiver is approved. Any waiver may
 28 be renewed. No more than one school innovation waiver shall be in effect with respect to any one elementary
 29 or secondary school at one time.
 30 6. This section shall not be construed to allow the board to authorize the waiver of any statutory
 31 requirements relating to school start date, teacher certification, teacher tenure, or any requirement imposed by
 32 federal law.
 33 7. The board may promulgate rules implementing the provisions of this section. Any rule or portion
 34 of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this
 35 section shall become effective only if it complies with and is subject to all of the provisions of chapter 536
 36 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers
 37 vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to
 38 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority
 39 and any rule proposed or adopted after August 28, 2021, shall be invalid and void.
 40 161.217. 1. The department of elementary and secondary education , in collaboration with"; and
