12 allowance in reduced monthly payments for life during retirement with the provision that:

13 Option 2. Upon the member's death the reduced retirement allowance shall be continued

33 OR

34 Option 5. Upon the death of the member prior to the member having received one hundred

40 shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal  
41 shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a  
42 lump sum payment. If the total of the one hundred twenty payments paid to the retired individual

3 children in equal shares, surviving parents in equal shares, or estate of the last person, in that order  
4 of precedence, to receive a monthly allowance in a lump sum payment. If the total of the sixty  
5 payments paid to the retired individual and the beneficiary of the retired individual is less than the  
6 total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a  
7 lump sum.

8 (2) The election of an option may be made only in the application for retirement and such  
9 application must be filed prior to the date on which the retirement of the member is to be effective.  
10 If either the member or the person nominated to receive the survivorship payments dies before the  
11 effective date of retirement, the option shall not be effective, provided that:

12 (a) If the member or a person retired on disability retirement dies after acquiring twenty-five  
13 or more years of creditable service or after attaining the age of fifty-five years and acquiring five or  
14 more years of creditable service and before retirement, except retirement with disability benefits,  
15 and the person named by the member as the member's beneficiary has an insurable interest in the  
16 life of the deceased member, the designated beneficiary may elect to receive either survivorship  
17 benefits under option 2 or a payment of the accumulated contributions of the member. If  
18 survivorship benefits under option 2 are elected and the member at the time of death would have  
19 been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated  
20 beneficiary may further elect to defer the option 2 payments until the date the member would have  
21 been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section;

22 (b) If the member or a person retired on disability retirement dies before attaining age fifty-  
23 five but after acquiring five but fewer than twenty-five years of creditable service, and the person  
24 named as the member's beneficiary has an insurable interest in the life of the deceased member, the  
25 designated beneficiary may elect to receive either a payment of the member's accumulated  
26 contributions, or survivorship benefits under option 2 to begin on the date the member would first  
27 have been eligible to receive an actuarial equivalent of the member's retirement allowance, or to  
28 begin on the date the member would first have been eligible to receive the retirement allowance  
29 provided in subsection 1 or 2 of this section.

30 4. If the total of the retirement or disability allowance paid to an individual before the death  
31 of the individual is less than the accumulated contributions at the time of retirement, the difference  
32 shall be paid to the beneficiary of the individual, or to the surviving spouse, surviving children in  
33 equal shares, surviving parents in equal shares, or estate of the individual in that order of  
34 precedence. If an optional benefit as provided in option 2, 3 or 4 in subsection 3 of this section had  
35 been elected, and the beneficiary dies after receiving the optional benefit, and if the total retirement  
36 allowance paid to the retired individual and the beneficiary of the retired individual is less than the  
37 total of the contributions, the difference shall be paid to the surviving spouse, surviving children in  
38 equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of  
39 precedence, unless the retired individual designates a different recipient with the board at or after  
40 retirement.

41 5. If a member dies and his or her financial institution is unable to accept the final payment  
42 or payments due to the member, the final payment or payments shall be paid to the beneficiary of  
43 the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares,  
44 surviving parents in equal shares, or estate of the member, in that order of precedence, unless  
45 otherwise stated. If the beneficiary of a deceased member dies and his or her financial institution is  
46 unable to accept the final payment or payments, the final payment or payments shall be paid to the  
47 surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of  
48 the member, in that order of precedence, unless otherwise stated.

49 6. If a member dies before receiving a retirement allowance, the member's accumulated

1 contributions at the time of the death of the member shall be paid to the beneficiary of the member  
2 or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving  
3 parents in equal shares, or to the estate of the member, in that order of precedence; except that, no  
4 such payment shall be made if the beneficiary elects option 2 in subsection 3 of this section, unless  
5 the beneficiary dies before having received benefits pursuant to that subsection equal to the  
6 accumulated contributions of the member, in which case the amount of accumulated contributions in  
7 excess of the total benefits paid pursuant to that subsection shall be paid to the surviving spouse,  
8 surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in  
9 that order of precedence.

10 7. If a member ceases to be a public school employee as herein defined and certifies to the  
11 board of trustees that such cessation is permanent, or if the membership of the person is otherwise  
12 terminated, the member shall be paid the member's accumulated contributions with interest.

13 8. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, if a  
14 member ceases to be a public school employee after acquiring five or more years of membership  
15 service in Missouri, the member may at the option of the member leave the member's contributions  
16 with the retirement system and claim a retirement allowance any time after reaching the minimum  
17 age for voluntary retirement. When the member's claim is presented to the board, the member shall  
18 be granted an allowance as provided in sections 169.010 to 169.141 on the basis of the member's  
19 age, years of service, and the provisions of the law in effect at the time the member requests the  
20 member's retirement to become effective.

21 9. The retirement allowance of a member retired because of disability shall be nine-tenths of  
22 the allowance to which the member's creditable service would entitle the member if the member's  
23 age were sixty, or fifty percent of one-twelfth of the annual salary rate used in determining the  
24 member's contributions during the last school year for which the member received a year of  
25 creditable service immediately prior to the member's disability, whichever is greater, except that no  
26 such allowance shall exceed the retirement allowance to which the member would have been  
27 entitled upon retirement at age sixty if the member had continued to teach from the date of disability  
28 until age sixty at the same salary rate.

29 10. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, from  
30 October 13, 1961, the contribution rate pursuant to sections 169.010 to 169.141 shall be multiplied  
31 by the factor of two-thirds for any member of the system for whom federal Old Age and Survivors  
32 Insurance tax is paid from state or local tax funds on account of the member's employment entitling  
33 the person to membership in the system. The monetary benefits for a member who elected not to  
34 exercise an option to pay into the system a retroactive contribution of four percent on that part of the  
35 member's annual salary rate which was in excess of four thousand eight hundred dollars but not in  
36 excess of eight thousand four hundred dollars for each year of employment in a position covered by  
37 this system between July 1, 1957, and July 1, 1961, as provided in subsection 10 of this section as it  
38 appears in RSMo, 1969, shall be the sum of:

39 (1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years  
40 of membership service;

41 (2) For years of membership service after July 1, 1946, in which the full contribution rate  
42 was paid, full benefits under the formula in effect at the time of the member's retirement;

43 (3) For years of membership service after July 1, 1957, and prior to July 1, 1961, the  
44 benefits provided in this section as it appears in RSMo, 1959; except that if the member has at least  
45 thirty years of creditable service at retirement the member shall receive the benefit payable pursuant  
46 to that section as though the member's age were sixty-five at retirement;

47 (4) For years of membership service after July 1, 1961, in which the two-thirds contribution  
48 rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's  
49 retirement.

11. The monetary benefits for each other member for whom federal Old Age and Survivors Insurance tax is or was paid at any time from state or local funds on account of the member's employment entitling the member to membership in the system shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

12. Any retired member of the system who was retired prior to September 1, 1972, or beneficiary receiving payments under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 1, 1972, will be eligible to receive an increase in the retirement allowance of the member of two percent for each year, or major fraction of more than one-half of a year, which the retired member has been retired prior to July 1, 1975. This increased amount shall be payable commencing with January, 1976, and shall thereafter be referred to as the member's retirement allowance. The increase provided for in this subsection shall not affect the retired member's eligibility for compensation provided for in section ~~[169.580 or]~~ 169.585, nor shall the amount being paid pursuant to these sections be reduced because of any increases provided for in this section.

13. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases two percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by two percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board with the provision that the increases provided for in this subsection shall not become effective until the fourth January first following the member's retirement or January 1, 1977, whichever later occurs, or in the case of any member retiring on or after July 1, 2000, the increase provided for in this subsection shall not become effective until the third January first following the member's retirement, or in the case of any member retiring on or after July 1, 2001, the increase provided for in this subsection shall not become effective until the second January first following the member's retirement. Commencing with January 1, 1992, if the board of trustees determines that the cost of living has increased five percent or more in the preceding fiscal year, the board shall increase the retirement allowances by five percent. The total of the increases granted to a retired member or the beneficiary after December 31, 1976, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other subsections. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

14. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 13 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; except that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1976.

15. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

16. Notwithstanding any other provision of law, any person retired prior to September 28, 1983, who is receiving a reduced retirement allowance under option 1 or option 2 of subsection 3 of

1 this section, as such option existed prior to September 28, 1983, and whose beneficiary nominated to  
2 receive continued retirement allowance payments under the elected option dies or has died, shall  
3 upon application to the board of trustees have his or her retirement allowance increased to the  
4 amount he or she would have been receiving had the option not been elected, actuarially adjusted to  
5 recognize any excessive benefits which would have been paid to him or her up to the time of  
6 application.

7 17. Benefits paid pursuant to the provisions of the public school retirement system of  
8 Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code except  
9 as provided pursuant to this subsection. Notwithstanding any other law to the contrary, the board of  
10 trustees may establish a benefit plan pursuant to Section 415(m) of Title 26 of the United States  
11 Code. Such plan shall be created solely for the purpose described in Section 415(m)(3)(A) of Title  
12 26 of the United States Code. The board of trustees may promulgate regulations necessary to  
13 implement the provisions of this subsection and to create and administer such benefit plan.

14 18. Notwithstanding any other provision of law to the contrary, any person retired before,  
15 on, or after May 26, 1994, shall be made, constituted, appointed and employed by the board as a  
16 special consultant on the matters of education, retirement and aging, and upon request shall give  
17 written or oral opinions to the board in response to such requests. As compensation for such duties  
18 the person shall receive an amount based on the person's years of service so that the total amount  
19 received pursuant to sections 169.010 to 169.141 shall be at least the minimum amounts specified in  
20 subdivisions (1) to (4) of this subsection. In determining the minimum amount to be received, the  
21 amounts in subdivisions (3) and (4) of this subsection shall be adjusted in accordance with the  
22 actuarial adjustment, if any, that was applied to the person's retirement allowance. In determining  
23 the minimum amount to be received, beginning September 1, 1996, the amounts in subdivisions (1)  
24 and (2) of this subsection shall be adjusted in accordance with the actuarial adjustment, if any, that  
25 was applied to the person's retirement allowance due to election of an optional form of retirement  
26 having a continued monthly payment after the person's death. Notwithstanding any other provision  
27 of law to the contrary, no person retired before, on, or after May 26, 1994, and no beneficiary of  
28 such a person, shall receive a retirement benefit pursuant to sections 169.010 to 169.141 based on  
29 the person's years of service less than the following amounts:

- 30 (1) Thirty or more years of service, one thousand two hundred dollars;  
31 (2) At least twenty-five years but less than thirty years, one thousand dollars;  
32 (3) At least twenty years but less than twenty-five years, eight hundred dollars;  
33 (4) At least fifteen years but less than twenty years, six hundred dollars.

34 19. Notwithstanding any other provisions of law to the contrary, any person retired prior to  
35 May 26, 1994, and any designated beneficiary of such a retired member who was deceased prior to  
36 July 1, 1999, shall be made, constituted, appointed and employed by the board as a special  
37 consultant on the matters of education, retirement or aging and upon request shall give written or  
38 oral opinions to the board in response to such requests. Beginning September 1, 1996, as  
39 compensation for such service, the member shall have added, pursuant to this subsection, to the  
40 member's monthly annuity as provided by this section a dollar amount equal to the lesser of sixty  
41 dollars or the product of two dollars multiplied by the member's number of years of creditable  
42 service. Beginning September 1, 1999, the designated beneficiary of the deceased member shall as  
43 compensation for such service have added, pursuant to this subsection, to the monthly annuity as  
44 provided by this section a dollar amount equal to the lesser of sixty dollars or the product of two  
45 dollars multiplied by the member's number of years of creditable service. The total compensation  
46 provided by this section including the compensation provided by this subsection shall be used in  
47 calculating any future cost-of-living adjustments provided by subsection 13 of this section.

48 20. Any member who has retired prior to July 1, 1998, and the designated beneficiary of a  
49 deceased retired member shall be made, constituted, appointed and employed by the board as a

1 special consultant on the matters of education, retirement and aging, and upon request shall give  
2 written or oral opinions to the board in response to such requests. As compensation for such duties  
3 the person shall receive a payment equivalent to eight and seven-tenths percent of the previous  
4 month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which  
5 shall not be subject to the provisions of subsections 13 and 14 of this section for the purposes of the  
6 limit on the total amount of increases which may be received.

7 21. Any member who has retired shall be made, constituted, appointed and employed by the  
8 board as a special consultant on the matters of education, retirement and aging, and upon request  
9 shall give written or oral opinions to the board in response to such request. As compensation for  
10 such duties, the beneficiary of the retired member, or, if there is no beneficiary, the surviving spouse,  
11 surviving children in equal shares, surviving parents in equal shares, or estate of the retired member,  
12 in that order of precedence, shall receive as a part of compensation for these duties a death benefit of  
13 five thousand dollars.

14 22. Any member who has retired prior to July 1, 1999, and the designated beneficiary of a  
15 retired member who was deceased prior to July 1, 1999, shall be made, constituted, appointed and  
16 employed by the board as a special consultant on the matters of education, retirement and aging, and  
17 upon request shall give written or oral opinions to the board in response to such requests. As  
18 compensation for such duties, the person shall have added, pursuant to this subsection, to the  
19 monthly annuity as provided by this section a dollar amount equal to five dollars times the member's  
20 number of years of creditable service.

21 23. Any member who has retired prior to July 1, 2000, and the designated beneficiary of a  
22 deceased retired member shall be made, constituted, appointed and employed by the board as a  
23 special consultant on the matters of education, retirement and aging, and upon request shall give  
24 written or oral opinions to the board in response to such requests. As compensation for such duties,  
25 the person shall receive a payment equivalent to three and five-tenths percent of the previous  
26 month's benefit, which shall be added to the member or beneficiary's monthly annuity and which  
27 shall not be subject to the provisions of subsections 13 and 14 of this section for the purposes of the  
28 limit on the total amount of increases which may be received.
