FISCAL ANALYSIS

ASSUMPTION

§407.300 – Theft of copper

For the purpose of the proposed legislation, and as a result of excessive caseloads, the **Missouri State Public Defender (SPD)** cannot assume existing staff will be able to provide competent, effective representation for any new cases where indigent persons are charged with the proposed new crime(s) of class B misdemeanor offense of selling copper within ten years of conviction for the offense of stealing copper under Section 407.300. However, if this offense was classified as a class D misdemeanor, it would not qualify for public defender representation because it would be punishable by a fine only and, therefore, would be no impact on the SPD. The Missouri State Public Defender System is currently providing legal representation in caseloads in excess of recognized standards. While the number of new cases may be too few or uncertain to request additional funding for this specific bill, the Missouri State Public Defender will continue to request sufficient appropriations to provide competent and effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the SPD for fiscal note purposes.

Officials from the **Attorney General’s Office**, the **Department of Public Safety - Missouri Highway Patrol**, the **Missouri Office of Prosecution Services**, and the **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
