FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Ethics Commission (MEC)** assume the proposal will have no fiscal impact on their organization. However, if a significant number of entities were to begin reporting such activity as outlined in 130.047, RSMo, additional analysts would be required to assist in providing filing assistance and review of reports filed with the Commission. Also, if the Commission identifies significant violations during the process established in Section 105.955.14 (2), (3), RSMo, or complaints received increase significantly an Investigator would be required to provide the proper oversight.

Oversight notes that the MEC has stated the proposal would not have a direct fiscal impact on that organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
