## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Public Safety – Office of the Director**, the **Office of the State Auditor** and the **Boone County Sheriff's Department** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a similar proposal from 2020 session (HCS for HB 1375) officials from the **Office of Prosecution Services** assumed the proposal would not fiscally impact their agency.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other local law enforcement agencies as well as county clerks were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
