FISCAL ANALYSIS

ASSUMPTION

§§419.020 and 419.040 – Room rates and safe deposit boxes in lodging establishments

Officials from the **Department of Health and Senior Services**, the **Office of the State Courts Administrator**, the **Columbia/Boone County Department of Public Health and Human Services** and the **Newton County Health Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight reviewed information from the Office of State Courts Administrator on penalties collected in FY 2019 (most recent available) and determined that no fines were collected under penalty code 419.050 which provides that any hotel keeper that charges a guest a greater rate than is specified on the notice shall be deemed guilty of a misdemeanor, and upon conviction, is to be fined a fee of not less than ten dollars nor more than fifty dollars for each offense.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local public health agencies were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
