## **FISCAL ANALYSIS**

### **ASSUMPTION**

#### **§210.211 – Licensed child care facilities with House Amendment No. 1**

Officials from the **Department of Social Services**, the **Department of Health and Senior Services**, the **Department of Public Safety – Division of Fire Safety** and the **Office of Administration – Information Technology Services Division/DSS** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

### **Rule Promulgation**

In response to the previous version of this proposal, officials from the **Joint Committee on Administrative Rules** assumed this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$5,000. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, they also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what they can sustain within their core budget. Therefore, they reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2022	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2022	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

#### FISCAL IMPACT – Small Business

This proposal could have a direct financial impact on small business child care providers.

#### FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
