## **FISCAL ANALYSIS**

### **ASSUMPTION**

Officials from the **Department of Corrections**, the **Department of Public Safety - Missouri Highway Patrol**, the **Office of the State Public Defender**, the **Missouri Office of Prosecution Services**, and the **Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Jackson County Election Board**, **Kansas City Election Board**, **Platte County Board of Elections**, and **St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other local election authorities were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

Officials from the **Office of the Secretary of State (SOS)** notes many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to SOS for Administrative Rules is less than \$5,000. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what their office can sustain with their core budget. Therefore, they reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could require additional resources.

<u>FISCAL IMPACT – State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024

<u>FISCAL IMPACT – Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

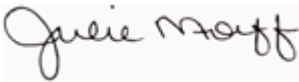

FISCAL DESCRIPTION
