

COMMITTEE ON LEGISLATIVE RESEARCH
OVERSIGHT DIVISION

FISCAL NOTE

L.R. No.: 0319H.03C
Bill No.: HCS for HB 252
Subject: Taxation and Revenue - Sales and Use; Motels and Hotels; Cities, Towns, and Villages; Tourism
Type: Original
Date: February 9, 2021

Bill Summary: This proposal would authorize certain cities to levy a transient guest tax or food tax upon voter approval.

FISCAL SUMMARY

ESTIMATED NET EFFECT ON GENERAL REVENUE FUND			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
General Revenue	\$0	\$0 to Could Exceed \$19,022	\$0 to Could Exceed \$34,387
Total Estimated Net Effect on General Revenue	\$0	\$0 or Could Exceed \$19,022	\$0 or Could Exceed \$34,387

ESTIMATED NET EFFECT ON OTHER STATE FUNDS			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
Total Estimated Net Effect on <u>Other</u> State Funds	\$0	\$0	\$0

Numbers within parentheses: () indicate costs or losses.

ESTIMATED NET EFFECT ON FEDERAL FUNDS			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
Total Estimated Net Effect on <u>All</u> Federal Funds	\$0	\$0	\$0

ESTIMATED NET EFFECT ON FULL TIME EQUIVALENT (FTE)			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
Total Estimated Net Effect on FTE	0	0	0

☐ Estimated Net Effect (expenditures or reduced revenues) expected to exceed \$250,000 in any of the three fiscal years after implementation of the act.

ESTIMATED NET EFFECT ON LOCAL FUNDS			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
Local Government	\$0	\$0 to Could Exceed \$1,666,841	\$0 to Could Exceed \$3,152,651

FISCAL ANALYSIS

ASSUMPTION

Section 67.1011 – Transient Guest Tax – City of Butler

Oversight notes this section allows the City of Butler (Butler), subject to voter approval, to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels or motels, which shall not exceed six percent (6%) per occupied room per night.

Oversight notes Butler may propose the tax to its respective voters at an election. For purposes of this fiscal note, Oversight assumes the question would be proposed to Butler's voters at the next general election. Oversight assumes the next General Election will occur in November 2022. The second calendar quarter following the calendar quarter in which the election is held would begin April 2023 (3 months of Fiscal Year 2023).

Oversight notes this section does not specify what the transient guest tax revenue shall be used for. Therefore, Oversight assumes it would be deposited into Butler's General Revenue.

Oversight is unable to determine how many transient guest(s) visit Butler annually.

Oversight will report a revenue gain to Butler equal to \$0 (voters do not approve the transient guest tax) up to Unknown (three (3) months' worth of the transient guest tax in Butler) in Fiscal Year 2023.

Section 67.1360 – Transient Guest Tax – City of Cameron

Oversight notes this section allows the City of Cameron (Cameron), subject to voter approval, to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels, motels, bed and breakfast inns, and campgrounds and any docking facility that rents slips to recreational boats that are used by transients for sleeping, which shall be at least two percent (2%) but not more than five percent (5%) per occupied room per night.

Oversight notes Cameron may propose the tax to its respective voters at a state general, primary, or special election. For purposes of this fiscal note, Oversight assumes the question would be proposed to Cameron's voters at the next general election. Oversight assumes the next General Election will occur in November 2022. Oversight assumes, if approved by Cameron's voters that the tax would go into effect the first quarter following the quarter the tax was proposed to such voters. The first calendar quarter following the calendar quarter in which the election is held would begin January 2023 (6 months of Fiscal Year 2023).

If Cameron's voters vote in favor of the tax, the revenue of the tax shall be used solely for funding the promotion of tourism.

Oversight is unable to determine how many transient guest(s) visit Cameron annually.

Oversight will report a revenue gain to Cameron equal to \$0 (voters do not approve the transient guest tax) up to Unknown (six (6) months' worth of the transient guest tax in Cameron) in Fiscal Year 2023.

Section 94.838 – Transient Guest Tax and Tax on Retail Sales of Food – Village of Lamar Heights

Oversight notes this section increases the tax on gross receipts derived from the retail sale of food by every person operating a food establishment in Lamar Heights from two percent (2%) to six percent (6%).

Oversight also notes, under current law, Lamar Heights is only permitted to use the revenues derived from such tax for funding: the construction, maintenance and operation of capital improvements. This section permits Lamar Heights to use the tax revenues for general revenue purposes.

Officials from the **Department of Revenue (DOR)** assume this proposal allows the Village of Lamar Heights to change their sales tax from a not to exceed two percent sales tax for the purpose of construction, maintenance and operation of capital improvements to a not to exceed six percent for general revenue purposes. This proposal does require a vote of the citizens prior to becoming effective. Should the vote fail, there would be no fiscal impact. Information on the amount of sales tax collected by the Village of Lamar Heights over the past four calendar years.

Sales tax collection from the Village of Lamar Heights:

CY	Jan-Mar	Apr-Jun	Jul-Sep	Oct-Dec	Total
2015	1,452,189	1,572,177	1,302,550	892,271	5,219,189
2016	2,194,059	2,334,111	2,386,004	2,113,133	9,027,306
2017	1,836,428	2,113,725	2,020,972	1,709,198	7,680,323
2018	1,720,000	2,165,846	2,074,299	1,991,001	7,951,146
2019	1,736,801	2,223,930	2,441,185	2,526,234	8,928,150
2020	1,817,966	2,189,249			4,007,215

Source: <http://dor.mo.gov/publicreports/>

Using the current expected tax base for the future fiscal years and a 2% inflation rate, the Department was able to calculate the amount of tax that would be collected with a 6% tax. The Department notes it would be allowed to retain the 1% collection fee. The Department is going to show the difference between the 2% that is currently collected and the 6% that could be collected.

Village of Lamar Heights

Fiscal Year	Tax Base	Current Collections (2%)	Proposed Tax (6%)	Difference	1% DOR Fee	City Retains
2022	\$9,337,208.19	\$186,744.16	\$560,232.49	\$373,488.33	\$3,734.88	\$369,753.44
2023	\$9,523,952.36	\$190,479.05	\$571,437.14	\$380,958.09	\$3,809.58	\$377,148.51
2024	\$9,714,431.41	\$194,288.63	\$582,865.88	\$388,577.26	\$3,885.77	\$384,691.48

DOR notes that this proposal would become effective on August 28, 2021 and the first election would be the April 6, 2022 election. There is no November 2021 general election. Therefore this will not have a fiscal impact in FY 2022. This sales tax would begin October 1, 2022 (FY 2023) if adopted by the voters. Therefore the impact in FY 2023 would be for 9 months.

Fiscal Year	DOR retains 1%	Lamar Heights
2022	\$0	\$0
2023	\$2,857	\$282,861
2024	\$3,886	\$384,691

Section 94.842 – City of Springfield - Transient Guest Tax on the charges for all sleeping rooms at hotels & motels

Oversight notes this proposed legislation allows the City of Springfield (Springfield), subject to voter approval, to impose a tax on the chargers for all sleeping rooms paid by the transient guests of hotels or motels, which shall not exceed two and one-half percent (2.5%) per occupied room per night.

Oversight notes Springfield may propose the tax to its voters at a general election. Should the voters vote in favor of the tax, the tax shall become effective on the first day of the calendar quarter following the calendar quarter in which the election took place. Should the voters vote against the tax, the tax shall not be imposed.

If Springfield’s voters vote in favor of the tax, the revenue from the tax shall be used solely for capital improvements that can be demonstrated to increase the number of overnight visitors in Springfield.

Officials from the **City of Springfield (City)** state they anticipate a significant positive fiscal impact if voters approve a transient guest tax. Prior to the COVID-19 pandemic, each 2.5% of tax brought in approximately \$2.9 million per year. Since the pandemic, each 2.5% of hotel tax has decreased to bring in approximately \$2.2 million. The City anticipates this proposed legislation will likely cause a positive fiscal impact between \$2.2 million and \$2.5 million.

Oversight notes, currently, under [Springfield City Code, Chapter 70, Article V](#), hotels, motels, and tourist courts are required to pay a license tax equal to five percent (5%) of the gross rental receipts paid by transient guests for sleeping accommodations. Since the tax is on the hotel or motel and not the customer, there are no exemptions from the tax. Each business owner makes the decision as to whether or not the tax is passed on to their customers.

Oversight notes Springfield's Hotel/Motel License Tax is a license tax and **not** a transient guest tax.

Oversight notes a detailed description of Springfield's Hotel/Motel License Tax can be found [here](#).

Per information received from Springfield, in 1979 Springfield City Council approved a general ordinance which amended its City Code and allowed Springfield to impose and collect a 2% hotel/motel [license] tax.

The tax was to be used for what is now known as the Convention and Visitors Bureau (CVB). Springfield could retain 6% of all collections to cover the administrative costs of collection and enforcement.

In 1998, voters were asked to increase the tax from 2% to 4.5% to further promote tourism “by developing Civic Park (which is now Jordan Valley Park), constructing an indoor ice facility, and making capital grants available for projects to assist not-for-profit organizations who promote these activities.”

In February 2004, voters were asked to increase the tax by an additional 0.5% to make the tax 5%. This was to be used to “attract sporting events and conventions and to retain a tourism information center”. This was given to the CVB. Springfield still retains 6% of total collections.

The 6% retained by Springfield is split between the Greater Springfield Area Sports Commission and the Springfield Regional Arts Council and a portion is maintained by Springfield to cover collection and administration costs. Of the 6% retained, approximately 50% goes to the Springfield Area Sports Commission and 33% goes to the Springfield Regional Arts Council. The remaining revenue is retained by Springfield. However, the remaining revenues retained by Springfield (17% of the 6% of total collection) have not actually been transferred to “the City; it remains unused and is there for future debt service needs or other requests.”

Oversight notes the transient guest tax put forth by this proposed legislation is not a **direct** increase in Springfield's Hotel/Motel License Tax rate and is a separate tax. However, Oversight assumes, if passed by the voters of Springfield, the transient guest tax will cause revenue derived from Springfield's existing Hotel/Motel License Tax to increase.

In order to determine the fiscal impact of this proposed legislation, Oversight used the collection data provided by Springfield for Springfield's Hotel/Motel License Tax.

Per information provided by Springfield, the following amounts were collected from Springfield's five percent (5%) Hotel/Motel License Tax:

Year	Hotel/Motel License Tax Collected
2015	\$4,723,157
2016	\$5,024,040
2017	\$5,309,898
2018	\$5,799,089
2019	\$5,758,820

Oversight estimates the total gross receipts paid by transient guests for sleeping accommodations in Springfield per year totals (Hotel/Motel License Tax Collected / 5%):

Year	Total Gross Receipts Paid By Customers
2015	\$94,463,131
2016	\$100,480,791
2017	\$106,197,966
2018	\$115,981,776
2019	\$115,176,400

Oversight notes the Hotel/Motel License Tax **may** or **may not** be passed on to customers of the hotels and motels. Oversight provides example scenarios for each scenario below.

Scenario 1:

Hotel/Motel License Tax is **not** passed on to the customer;

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Total Charge Paid By Customer	\$54.05

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$54.05
Hotel/Motel License Tax - 5% of Gross Receipts	\$2.70

Scenario 2 (Part 1):

Hotel/Motel License Tax is passed on to the customer:

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Room Rate + Sales Tax	\$54.05
Hotel/Motel License Tax Passed On To Customer - 5%	\$2.70
Total Charge Paid By Customer	\$56.75

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$56.75
Hotel/Motel License Tax - 5% of Gross Receipts	\$2.84

Oversight notes, as shown above, the Hotel/Motel License Tax paid by the hotel/motel is greater than the amount that was passed on to the customer. This is because, at this point, the Hotel/Motel License Tax passed on to the customer is calculated on \$54.05 whereas the hotel/motel's tax owed to Springfield is calculated on \$56.75.

Therefore, hotels/motels charge a tax rate to the customers in excess of the rate they are required to pay to Springfield to recoup the difference.

Scenario 2 (Part 2):

Hotel/Motel License Tax is passed on to the customer:

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Room Rate + Sales Tax	\$54.05
Hotel/Motel License Tax Passed On To Customer - 5.26%	\$2.84
Total Charge Paid By Customer	\$56.89

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$56.89
Hotel/Motel License Tax - 5%	\$2.84

Oversight notes, as shown above, the Hotel/Motel License Tax is passed onto the customer at a rate that exceeds the rate that hotels/motels must pay in order for the hotel/motel to recoup the full amount that is required to be remitted to Springfield.

Oversight assumes the calculation used by hotels/motels to establish the rate equal to 5.26% to be used when passing the Hotel/Motel License Tax on to customers is:

Customer's Receipt		
	Room Rate	\$50
x	Sales Tax - 8.1%	\$4.05
=	Room Rate + Sales Tax	\$54.05
x	Hotel/Motel Tax Passed On To Customer - 5%	\$2.70
=	Total Charge Paid By Customer	\$56.75

Hotel/Motel License Tax Paid By Hotel/Motel To City		
	Gross Receipts (Room Rate + Sales Tax + Tax Passed On)	\$56.75
x	Hotel/Motel License Tax - 5%	\$2.84

Oversight notes, at this point, the hotel/motel knows the amount of Hotel/Motel License Tax it is required to remit to Springfield is \$2.84

Then, hotels/motels divide the Hotel/Motel License Tax owed to Springfield (\$2.84) by the Room Rate + Sales Tax (\$54.05) to determine the applicable rate.

For this example, $\$2.84 / (\$50 + \$4.05) = 5.26\%$. Therefore, as shown in Scenario 2 (Part 2), the tax rate imposed on the customer equals 5.26%.

Oversight assumes, with an additional tax imposed upon sleeping rooms in the form of a transient guest tax, the total amount of gross receipts recognized by hotels/motels will increase as well. This will result in an increase in the amount of Hotel/Motel License Tax paid by hotels/motels (or customers) to Springfield.

Oversight assumes the transient guest tax put forth by this proposed legislation will be calculated on either: 1) the room rate + sales tax or 2) the room rate + sales tax + Hotel/Motel License Tax.

Oversight updates Scenario 1 and Scenario 2, as shown above, to reflect the addition of a transient guest tax.

Scenario 3:

Hotel/Motel License Tax is **not** passed on to the customer – Transient Guest Tax Included:

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Room Rate + Sales Tax	\$54.05
Transient Guest Tax - 2.5%	\$1.35
Total Charge Paid By Customer	\$55.40

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$55.40
Hotel/Motel License Tax - 5%	\$2.77

Oversight notes in Scenario 3, compared to Scenario 1, the hotel/motel will pay \$.07 more in Hotel/Motel License Tax for every room charge equal to \$50 as a result of the increase in gross receipts. Oversight notes many hotels/motels charge amounts greater than \$50 per night and \$50 was only used for the example scenarios.

Scenario 4:

Hotel/Motel License Tax **is** passed on to the customer – Transient Guest Tax Included –
 Transient Guest Tax Calculated on Room Rate + Sales Tax:

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Room Rate + Sales Tax	\$54.05
Transient Guest Tax - 2.5%	\$1.35
Room Rate + Sales Tax + Transient Guest Tax	\$55.40
Hotel/Motel License Tax Passed On To Customer - 5.26%	\$2.92
Total Charge Paid By Customer	\$58.32

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$58.32
Hotel/Motel License Tax - 5%	\$2.92

Oversight notes in Scenario 4, compared to Scenario 2 (Part 2), the customers of the hotel/motel will pay \$0.08 more in Hotel/Motel License Tax for every room charge equal to \$50 and \$1.35 for the transient guest tax. Oversight notes many hotels/motels charge amounts greater than \$50 per night and \$50 was only used for the example scenarios.

Scenario 5:

Hotel/Motel License Tax is passed on to customer – Transient Guest Tax Included –
 Transient Guest Tax Calculated on Room Rate + Sales Tax + Hotel/Motel License Tax:

Customer Receipt	
Room Rate	\$50
Sales Tax - 8.1% (State, County, City)	\$4.05
Room Rate + Sales Tax	\$54.05
Hotel/Motel License Tax Passed On To Customer - 5.4%	\$2.92
Room Rate + Sales Tax + Hotel/Motel License Tax	\$56.97
Transient Guest Tax	\$1.42
Total Charge Paid By Customer	\$58.39

Hotel/Motel License Tax Paid By Hotel/Motel To City	
Total Gross Receipts	\$58.39
Hotel/Motel License Tax - 5%	\$2.92

Oversight notes in Scenario 5, compared to Scenario 2 (Part 2), the customers of the hotel/motel will pay \$0.08 more in Hotel/Motel License Tax for every room charge equal to \$50 and \$1.42 for the transient guest tax.

In addition, in Scenario 5, compared to Scenario 4, the customers of the hotel/motel pay an additional \$0.07 in transient guest tax. This is a result of the transient guest tax being calculated on a number that includes more values in the calculation.

Therefore, under Scenario 5's method of calculation, the greatest amount of transient guest tax **and** more Hotel/Motel License Tax will be collected and remitted to Springfield.

Oversight notes the methodology of Scenario 5 is the methodology used to calculate the fiscal impact of this proposed legislation. This is due to the data used to calculate the fiscal impact. Oversight used total Hotel/Motel License Tax collection data as the base to estimate the total gross receipts. The estimated total gross receipts, then, would include any Hotel/Motel License Tax currently passed on to the customer. Therefore, Oversight assumes the fiscal impact reported best reflects the current business practices of Springfield's hotels/motels, regardless of whether the hotel/motel passes the Hotel/Motel License Tax onto their customers or not.

Oversight estimates this proposed legislation could increase revenue to Springfield, on average, by an amount equal to \$2,661,500 annually as a result of a transient guest tax (total gross receipts paid by customers * 2.5%)

Oversight estimates this proposed legislation could also increase revenue to Springfield, on average, by an amount equal to \$133,075 annually as a result of the increase in gross receipts calculated to determine Springfield's Hotel/Motel License Tax owed by Springfield's hotels/motels (total increase in gross receipts * 5%).

Year	Hotel/Motel License Tax Collected	Total Gross Receipts Paid By Customers (Hotel/Motel License Tax Collected / 5%)	Estimated Total Transient Guest Tax Revenue As Well As Estimated Total Increase in Gross Receipts)	Increase In Hotel/Motel License Tax Based On Additional Gross Receipts	Total Estimated Net Gain to City of Springfield
2015	\$4,723,157	\$94,463,131	\$2,361,578.27	\$118,078.91	\$2,794,575.33
2016	\$5,024,040	\$100,480,791	\$2,512,019.77	\$125,600.99	
2017	\$5,309,898	\$106,197,966	\$2,654,949.16	\$132,747.46	
2018	\$5,799,089	\$115,981,776	\$2,899,544.39	\$144,977.22	
2019	\$5,758,820	\$115,176,400	\$2,879,409.99	\$143,970.50	
Average			\$2,661,500.32	\$133,075.02	

Oversight notes this proposed legislation permits Springfield to collect the transient guest tax internally or enter into an agreement with the Missouri Department of Revenue for purposes of collection.

Oversight notes, currently, the Missouri Department of Revenue does not collect any transient guest taxes) imposed by Missouri's local political subdivisions.

Therefore, and in addition to the fact that that Springfield's hotels/motels are currently collecting and remitting tax(es) (Hotel/Motel License Tax) to the Springfield, Oversight assumes the collection and remittance of tax will occur internally within Springfield.

However, should Springfield and the Missouri Department of Revenue enter into an agreement for purposes of collection, the Missouri Department of Revenue is permitted to retain up to one percent (1%) of the amount of transient guest tax collected for the cost of collection. The amount retained by the Missouri Department of Revenue would be deposited into General Revenue. Springfield's estimated net gain, as reported above, would be reduced by the amount retained by the Missouri Department of Revenue.

Oversight notes this proposed legislation states, if approved by the voters of Springfield at a general election, the transient guest tax shall go into effect on the first day of the calendar quarter following the calendar quarter in which the election is held. Oversight assumes the next General Election will occur in November 2022. The quarter following the calendar quarter in which the election is held would begin January 2023 (6 months of Fiscal Year 2023).

Therefore, for purposes of this fiscal note, Oversight will report a revenue gain to GR equal to \$0 (voters do not approve the transient guest tax or Springfield will collect the tax internally) up to \$13,308 (six months' worth of one percent (1%) of the amount estimated to be collected from the transient guest tax in Springfield) in Fiscal Year 2023.

Oversight will report a revenue gain to Springfield equal to \$0 (voters do not approve the transient guest tax) up to \$1,330,750 (six months' worth of the transient guest tax in Springfield) in Fiscal Year 2023.

Oversight will report a revenue gain to Springfield equal to \$0 (voters do not approve the transient guest tax) up to \$66,538 (six months' worth of the increased Hotel/Motel License Tax as a result of increased gross receipts) in Fiscal Year 2023.

Oversight will report a revenue gain, to GR equal to \$0 (voters do not approve the transient guest tax or Springfield will collect the tax internally) up to \$26,615 (one percent (1%) of the amount estimated to be collected from the transient guest tax in Springfield) in Fiscal Year 2024, once fully implemented.

Oversight will report a revenue gain to Springfield equal to \$0 (voters do not approve the transient guest tax) up to \$2,661,500 (transient guest tax in Springfield) in Fiscal Year 2024, once fully implemented.

Oversight will report a revenue gain to Springfield equal to \$0 (voters do not approve the transient guest tax) up to \$133,075 (increased Hotel/Motel License Tax as a result of increased gross receipts) in Fiscal Year 2024, once fully implemented.

Section 94.1014 - Transient Guest Tax - Ashland

In response to similar legislation (HB 1601 - 2020), officials from the **City of Ashland (Ashland)** stated while Ashland does not currently have any hotels located in Ashland, Ashland is working with developers to attract hotel development to help boost overnight stays in the community. Ashland assumes, when using a sixty-three percent (63%) occupancy rate, Ashland could recognize an increase in revenue as a result of transient guest tax(es) of approximately \$137,510 from each lodging facility. The calculation used by Ashland to estimate the revenue increase is shown on the next page:

115		365 Days		\$130 Cost per Room		4% Lodging Tax		63% Occupancy
Rooms	*	of the	*	per Night	*	Rate	*	Rate

Ashland has indicated Ashland is hopeful that within the next two to three years, Ashland will have three or more hotels in Ashland.

Oversight assumes the estimated increase in revenue as a result of transient guest tax equal to \$137,510 is specific to each hotel. Therefore, Oversight assumes, if Ashland has three hotels developed in Ashland, the increase in revenue could total \$412,530 (\$137,510 * 3) annually.

Oversight notes this proposed legislation would allow Ashland, if approved by the City=s voters, at a state general or primary election to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels or motels located in the City equal at a rate not to exceed five percent (5%). Oversight further notes the tax revenues generated would be designated solely for the promotion of tourism, growth of the region and economic development purposes.

For the purposes of this fiscal note, **Oversight** will report a zero fiscal impact to the State of Missouri as DOR does not collect transient guest taxes (unless an agreement with the political subdivision is made) and a zero fiscal impact for the City of Ashland as the city does not currently have any hotels/motels operating within the boundaries of Ashland.

Oversight notes if hotel/motel development takes place within the boundaries of Ashland, in which such hotel(s)/motel(s)/ become fully operational, Ashland could recognize revenue gain as a result of this proposed legislation being enacted.

In response to the previous version of this proposal, HB 252 (0319H.01I) 2021, Officials from the **Office of Administration – Budget & Planning** have deferred to the City of Springfield to provide the estimated fiscal impact(s) of section 94.842 of this proposed legislation.

In response to the previous version of this proposal, HB 252 (0319H.01I) 2021, Officials from the **Department of Revenue (DOR)** assumed state this proposed legislation would allow the City of Springfield to vote to impose a transient guest tax of up to 2.5%. (Section 94.842) This should not have an impact on DOR. However, this proposed legislation allows the City of Springfield to contract with DOR for the collection of the transient guest tax. DOR notes all other transient guest taxes are collected by the local political subdivisions. Should the City of Springfield, DOR would be allowed to retain one percent (1%) for the cost of collection.

In response to the previous version of this proposal, HB 252 (0319H.01I) 2021, Officials from the **Economic & Policy Analysis Research Center – University of Missouri (EPARC)** stated, if enacted, this proposed legislation would authorize a transient guest tax in the City of Springfield upon voter approval. EPARC has indicated that EPARC does not possess the data necessary to estimate the impact of section 94.842 of this proposed legislation.

Officials from the **Office of the Secretary of State (SOS)** noted many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to SOS for administrative rules is less than \$5,000. SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what SOS can sustain with SOS's core budget. Therefore, SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposed legislation. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriations process.

Officials from the **Joint Committee on Administrative Rules (JCAR)** assume the proposal would not have a direct fiscal impact on their organization.

<u>FISCAL IMPACT – State Government</u>	FY 2022	FY 2023 (3 or 6 Mo.)	FY 2024
GENERAL REVENUE FUND

FISCAL IMPACT – Small Business

Certain small business in these cities may have to collect and remit this tax.

FISCAL DESCRIPTION

This bill authorizes any home rule city with more than 155,000 but fewer than 200,000 inhabitants to submit to the voters a transient guest tax not to exceed 2.5% of the charges per occupied room per night. Such tax shall be used solely for capital investments that can be demonstrated to increase the number of overnight visitors. If enacted, this section initially would only apply to the City of Springfield.

In addition and subject to voter approval, allows City of Cameron to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels, motels, bed and breakfast inns, and campgrounds and any docking facility that rents slips to recreational boats that are used by transients for sleeping, which shall be at least two percent (2%) but not more than five percent (5%) per occupied room per night;

Allows the City of Butler (Butler), subject to voter approval, to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels or motels, which shall not exceed six percent (6%) per occupied room per night;

Allows the Village of Lamar Heights increase the tax on gross receipts derived from the retail sale of food by every person operating a food establishment in Lamar Heights from two percent (2%) to six percent (6%);

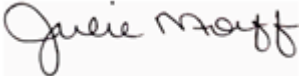

Allows the City of Ashland, if approved by the City=s voters, at a state general or primary election to impose a tax on the charges for all sleeping rooms paid by transient guests of hotels or motels located in the City equal at a rate not to exceed five percent (5%).

Upon voter approval, the city may adopt rules and regulations for the internal collection of the tax, or may enter into an agreement with the Department of Revenue for the collection of the tax.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
