FISCAL ANALYSIS

ASSUMPTION

§191.905 - MO HealthNet Fraud Reimbursement Fund

Officials from the **Attorney General's Office**, the **Department of Social Services** and the **Office of Administration** have each stated the proposal would not have a direct fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these organizations.

Oversight notes the State Treasurer's Office website describes the MO HealthNet Fraud Reimbursement Fund (0171) on the Fund Descriptions report as a fund to account for restitution made by any person who is convicted of a violation of section 2 of HB 1427 (1994). In addition, this fund will receive any restitution received in a civil case brought by the Attorney General against any person who shall receive a health care payment as a result of a false statement or false representation of a material fact made or caused to be made by that person. Moneys in the MO HealthNet Fraud Reimbursement Fund shall be divided and appropriated to the federal government and affected state agencies in order to refund moneys falsely obtained from the federal and state governments.

Oversight notes that the last documented activity in the MO HealthNet Fraud Reimbursement Fund (0171) was in FY12 when it disbursed \$5,000. Therefore, Oversight assumes adding the option of using moneys in the fund for the employment of additional full-time employees for the Department of Social Services (instead of the current requirement of provider reimbursement) will, in effect, have no direct fiscal impact.

<u>FISCAL IMPACT –</u> <u>State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT –</u> <u>Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

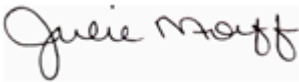

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
