FISCAL ANALYSIS

ASSUMPTION

§455.010 – Stalking

Officials from the **Department of Social Services**, the **Missouri Office of Prosecution Services**, the **Office of the State Courts Administrator**, the **St. Joseph Police Department**, and the **St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Department of Public Safety - Missouri Highway Patrol**, the **Crestwood Police Department**, the **Ellisville Police Department**, the **Kansas City Police Department**, and the **Springfield Police Department** each assumed the proposal will have no fiscal impact on their respective organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

For the purpose of the proposed legislation, and as a result of excessive caseloads, the **Missouri State Public Defender (SPD)** cannot assume existing staff will be able to provide competent, effective representation for any new cases where indigent persons are charged with the proposed new crime(s) concerning stalking under Section 455.010 RSMo. The Missouri State Public Defender System is currently providing legal representation in caseloads in excess of recognized standards. While the number of new cases may be too few or uncertain to request additional funding for this specific bill, the Missouri State Public Defender will continue to request sufficient appropriations to provide competent and effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the SPD for fiscal note purposes.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other police and sheriff's departments were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

House Amendment (HA) 1:

Oversight notes HA 1 makes a technical correction and will have no fiscal impact on state or local governments.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
