#### **FISCAL ANALYSIS**

### **ASSUMPTION**

#### §570.212 – Mail theft

Officials from the **Department of Corrections (DOC)** assume this bill creates one new class A misdemeanor offense and one new class E felony offense. The misdemeanor offense does not fall under the purview of DOC.

For each new nonviolent class E felony, the department estimates one person will be sentenced to prison and two to probation. The average sentence for a nonviolent class E felony offense is 3.4 years, of which 2.1 years will be served in prison with 1.4 years to first release. The remaining 1.3 years will be on parole. Probation sentences will be 3 years.

The cumulative impact on the department is estimated to be 2 additional offenders in prison and 7 additional offenders on field supervision by FY 2024.

	# to prison	-	Total Costs for <b>prison</b>	# to probation & parole	Cost per year	for	Grand Total - Prison and Probation (includes 2% inflation)
Year 1	1	(\$7,756)	(\$6,463)	2	absorbed	\$0	(\$6,463)
Year 2	2	(\$7,756)	(\$15,822)	4	absorbed	\$0	(\$15,822)
Year 3	2	(\$7,756)	(\$16,139)	7	absorbed	\$0	(\$16,139)
Year 4	2	(\$7,756)	(\$16,461)	7	absorbed	\$0	(\$16,461)
Year 5	2	(\$7,756)	(\$16,791)	7	absorbed	\$0	(\$16,791)
Year 6	2	(\$7,756)	(\$17,127)	7	absorbed	\$0	(\$17,127)
Year 7	2	(\$7,756)	(\$17,469)	7	absorbed	\$0	(\$17,469)
Year 8	2	(\$7,756)	(\$17,818)	7	absorbed	\$0	(\$17,818)
Year 9	2	(\$7,756)	(\$18,175)	7	absorbed	\$0	(\$18,175)
Year 10	2	(\$7,756)	(\$18,538)	7	absorbed	\$0	(\$18,538)

If this impact statement has changed from statements submitted in previous years, it is because the Department of Corrections (DOC) has changed the way probation and parole daily costs are calculated to more accurately reflect the way the Division of Probation and Parole is staffed across the entire state.

In December 2019, the DOC reevaluated the calculation used for computing the Probation and Parole average daily cost of supervision and revised the cost calculation to be the DOC average district caseload across the state which is 51 offender cases per officer. The new calculation

L.R. No. 0766H.01I Bill No. HB 464 Page **4** of **6** February 10, 2021

assumes that an increase/decrease of 51 cases would result in a change in costs/cost avoidance equal to the cost of one FTE staff person. Increases/decreases smaller than 51 offenders are assumed to be absorbable.

In instances where the proposed legislation would only affect a specific caseload, such as sex offenders, the DOC will use the average caseload figure for that specific type of offender to calculate cost increases/decreases. For instances where the proposed legislation affects a less specific caseload, DOC projects the impact based on prior year(s) actual data for DOC's 48 probation and parole districts.

The DOC cost of incarceration in \$21.251 per day or an annual cost of \$7,756 per offender. The DOC cost of probation or parole is determined by the number of P&P Officer II positions that would be needed to cover the new caseload.

**Oversight** does not have any information contrary to that provided by DOC. Therefore, Oversight will reflect DOC's impact for fiscal note purposes.

For the purpose of the proposed legislation, and as a result of excessive caseloads, the **Missouri State Public Defender (SPD)** cannot assume existing staff will be able to provide competent, effective representation for any new cases where indigent persons are charged with the proposed new crime(s) concerning mail theft under Section 570.012. The Missouri State Public Defender System is currently providing legal representation in caseloads in excess of recognized standards. While the number of new cases may be too few or uncertain to request additional funding for this specific bill, the Missouri State Public Defender will continue to request sufficient appropriations to provide competent and effective representation in all cases where the right to counsel attaches.

**Oversight** assumes the SPD will be able to perform any additional duties required by the proposal with current staff and resources and will reflect no fiscal impact to the SPD for fiscal note purposes.

Officials from the Attorney General's Office, the Department of Public Safety - Missouri Highway Patrol, the Missouri Office of Prosecution Services, the Office of Administration, the Office of the State Courts Administrator, the Crestwood Police Department, the Ellisville Police Department, the Kansas City Police Department, the Springfield Police Department, and the St. Louis County Police Department each assume the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation (HB 675), officials from the **El Dorado Springs Police Department** responded to the legislation but did not provide a fiscal impact.

In response to similar legislation (HB 675), officials from the **Tipton Police Department** assumed the proposal will have no fiscal impact on their organization.

L.R. No. 0766H.01I Bill No. HB 464 Page **5** of **6** February 10, 2021

In response to similar legislation (HB 825), officials from the **Columbia Police Department** assumed the proposal will have no fiscal impact on their organization.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other police and sheriff's departments were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
