**FISCAL ANALYSIS****ASSUMPTION**

Officials from the **Department of Public Safety's Division of Fire Safety** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, third class counties were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

**Oversight** notes this proposal is revising the language in Section 49.266. According to the Revisor of Statutes, changes to Section 49.266 in 2014 were declared unconstitutional. Oversight notes violations of any regulation adopted under subsection 1 would be an infraction. Oversight assumes the adoption of such ordinances would take further action of third class county commissions. Therefore, even though this proposal may eventually and indirectly lead to an increase in fine (and court costs) revenue from violations of such ordinances, Oversight will assume this revision will not have a direct fiscal impact and will reflect a \$0 fiscal impact for the proposal.

<u>FISCAL IMPACT –</u> <u>State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT –</u> <u>Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

**FISCAL IMPACT – Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

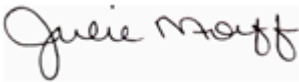

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
