## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the State Courts Administrator** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, several counties were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

**Oversight** assumes this proposal is establishing rules for any courthouse that contains both a county office and a courtroom. Oversight assumes this proposal will not have a direct fiscal impact to the state or to county governments.

### FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
