FISCAL ANALYSIS

ASSUMPTION

Officials at **Jackson County** assume a positive fiscal impact from this proposal. Staffing costs could be lowered.

Officials from the **Department of Health and Senior Services** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

In response to similar legislation from 2020, HCS for HB Nos. 1972 & 2366, officials from the **Mississippi County Recorder of Deeds Office** and the **Daviess County Recorder of Deeds Office** each assumed no fiscal impact to their respective entities from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other counties and county recorder of deeds offices were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

Oversight notes the legislation does not specifically address if a form will need to be created by the County Recorder of Deeds Office or if software may need to be purchased. Oversight assumes this proposal is permissive and action would only be taken by the County Recorder of Deeds Office if they have budgeted funds for this purpose and if it would benefit their county. Therefore, Oversight will reflect a \$0 fiscal note assuming any costs involved would be absorbed by the County Recorder of Deeds Office.

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
