FISCAL ANALYSIS

ASSUMPTION

§566.145 – Sexual conduct in the course of public safety

For the purpose of the proposed legislation, and as a result of excessive caseloads, the **Missouri State Public Defender (SPD)** cannot assume existing staff will be able to provide competent, effective representation for any new cases where indigent persons are charged with the proposed new crime(s) of Sexual Conduct in the Course of Public Duty, a class E felony under section 566.145 RSMo. The Missouri State Public Defender System is currently providing legal representation in caseloads in excess of recognized standards. While the number of new cases may be too few or uncertain to request additional funding for this specific bill, the Missouri State Public Defender will continue to request sufficient appropriations to provide competent and effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the SPD for fiscal note purposes.

Officials from the **Department of Corrections (DOC)** state although the legislation broadens the scope of sexual misconduct, to include detainees and police officers, and makes it a sexual offense to engage in sexual activity while conducting public duty, the past record and scarcity of such occurrences and violations, as per DOC record, indicates that this change does not pose any significant fiscal impact on DOC.

Oversight does not have any information contrary to that provided by DOC. Therefore, Oversight will reflect DOC's no impact for fiscal note purposes.

Officials from the **Attorney General's Office**, the **Department of Natural Resources**, the **Department of Public Safety – (Capitol Police and Missouri Highway Patrol)**, the **Department of Social Services**, the **Missouri Department of Conservation**, the **Missouri Office of Prosecution Services**, the **Office of the State Courts Administrator**, the **Crestwood Police Department**, the **Ellisville Police Department**, the **Kansas City Police Department**, the **Springfield Police Department**, the **St. Louis County Police Department**, and the **Tipton Police Department** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other police and sheriff's departments were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL DESCRIPTION

The proposed legislation contains an emergency clause.
