## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Commerce and Insurance**, the **Department of Labor and Industrial Relations**, the **Department of Revenue** and the **Missouri Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Missouri Department of Conservation** and the **Office of Administration** each assumed the proposal will have no fiscal impact on their respective organizations.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Department of Public Safety - Missouri Highway Patrol** defer to the Department of Transportation to estimate the fiscal impact of the proposed legislation on their organization.

### Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State** notes many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$5,000. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, they also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, they reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT –</u> <u>State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024

<u>FISCAL IMPACT – Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
