FISCAL ANALYSIS

ASSUMPTION

§§565.058, 574.203, and 574.204 – Filing of certain petitions and protection of health care workers

Officials from the **Attorney General’s Office**, the **Department of Commerce and Insurance**, the **Department of Corrections**, the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Social Services**, the **Missouri Department of Transportation**, the **Office of the State Courts Administrator**, the **Office of the State Public Defender**, the **City of Claycomo**, the **City of Jefferson City**, the **City of Kansas City**, the **City of Springfield**, the **Boone County Health Department**, the **Kansas City Health Department**, the **St. Joseph Police Department**, the **St. Louis County Police Department**, the **Cass County PWSO #2**, the **Hancock Street Light District**, the **Metropolitan St. Louis Sewer District**, the **Schell City Water Department**, the **South River Drainage District**, the **St. Charles County PWSO #2**, and the **Wayne County PWSO #2** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Missouri Office of Prosecution Services (MOPS)** assume the proposal will have no measurable fiscal impact on MOPS. The enactment of new crimes (574.203.2 and 574.204.2) creates additional responsibilities for county prosecutors and the circuit attorney which may, in turn, result in additional costs, which are difficult to determine.

In response to a previous version, officials from the **Kansas City Police Department**, the **Newton County Health Department**, the **Crawford County 911 Board**, the **Nodaway County Ambulance District**, and the **Hermann Area Hospital District** each assumed the proposal will have no fiscal impact on their respective organizations.

In response to similar legislation from 2021 (SB 513), officials from the **City of Corder**, the **City of O’Fallon**, the **City of St. Louis**, the **Corder Water/Wastewater**, the **Lexington Water/Wastewater**, and the **Little Blue Valley Sewer** each assumed the proposal will have no fiscal impact on their respective organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other cities, counties, fire protection districts, utilities, ambulance/EMS, hospitals, nursing homes, county health departments, and police and sheriff’s departments were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

Oversight assumes there will be few convictions of these new crimes. Therefore, Oversight assumes court costs and fine revenue associated with these new provisions would not be material.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
