FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration** and the **Office of the Governor** each assume the proposal would not fiscally impact their respective offices.

Officials from the **Missouri House of Representatives** state they would absorb any reasonable expense of their members serving on the task force.

Officials from the **Missouri Senate** state they anticipate a negative fiscal impact to the Senate Contingent appropriation to reimburse 3 Senators for travel to task force meetings. In summary, it will cost approximately \$289.71 per meeting.

Oversight assumes reimbursing members of the new State Building Usage Task Force for actual and necessary expenses would not create a material fiscal impact to the state. Therefore, Oversight will reflect no fiscal impact from this proposal.
