<b>Local Government</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>

## FISCAL ANALYSIS

### ASSUMPTION

#### Sections 382.010 – 382.230 - Group Capital Calculation (GCC) and Liquidity Stress Test (LST)

Officials from the **Department of Commerce and Insurance (DCI)** state this legislation incorporates the recently adopted changes to NAIC Model law 440 related to the Group Capital Calculation (GCC) and Liquidity Stress Test (LST).

DCI states, currently, Missouri is the lead state regulator for 22 insurance groups that do not meet an exemption from the GCC. All groups are required to file the GCC at least once.

After the first filing, the director can exempt companies from filing or require a more limited filing going forward.

The department believes the costs of this bill can be absorbed within our current appropriations; should the cost be more than anticipated, the department would request an increase to our FTE and/or appropriation as appropriate through the budget process.

Officials from the DCI assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

<u>FISCAL IMPACT – State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT – Small Business

A direct fiscal impact to small business insurance holding companies may be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
