DANA RADEMAN MILLER, Chief Clerk

AN ACT

To repeal section 170.057, RSMo, and to enact in lieu thereof one new section relating to school supplies.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 170.057, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 170.057, to read as follows:

170.057. 1. The school board of any school district may expend either textbook fund moneys or incidental fund moneys to provide supplementary texts, library reference books, instructional supplies, and contractual educational television services for the pupils of the district's elementary and secondary schools.

2. (1) This subsection shall be known and may be cited as the "Missouri Teachers Classroom Supply Assistance Program".

(2) As used in this subsection, "school supplies" has the same meaning as the term is defined in section 144.049.

(3) For all school years beginning on or after July 1, 2022, the department of elementary and secondary education shall provide moneys to each school district and charter school for each school's teachers to purchase classroom materials and school supplies for the students in the teachers' classrooms. No such moneys shall be used to purchase equipment.

(4) The department shall calculate an amount for each school district and charter school based on the average daily attendance of resident pupils enrolled in the district or charter school in the previous year and distribute such amount to each district and charter school before August first of each year.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

18 (5) Upon receipt of the moneys calculated under subdivision (4) of this subsection,
19 each school district and charter school shall calculate an identical amount for each teacher
20 estimated to be employed on September first of the school year and make available such
21 amount to each teacher before August fifteenth of each year.

22 (6) The department shall establish a method for each school district and charter
23 school to provide each teacher with a debit card to use for purchasing classroom materials
24 and supplies with the amount calculated in subdivision (5) of this subsection. Any debit
25 card issued under this section shall clearly indicate on the front that the card has been
26 issued for the Missouri teachers classroom supply assistance program, shall display the
27 expiration date on the back of the card, and shall display the district's or charter school's
28 tax exempt number on the front or the back of the card. The department shall determine
29 any necessary procedures and requirements for use of the debit cards.

30 (7) Each teacher who accepts a debit card under this section shall sign a statement
31 developed by the department that acknowledges receipt and the terms of proper use of the
32 debit card.

33 (8) Each teacher who uses a debit card provided under this section shall submit all
34 receipts for all purchases made with such card to the school district or charter school. The
35 school district or charter school shall keep all such receipts for at least five years to show
36 that moneys expended meet the requirements of this section.

37 (9) Any unexpended amount available for teachers under this subsection shall
38 remain in the account established for the deposit of moneys under this section and shall be
39 available for distribution to teachers in subsequent years.

40 (10) The department may promulgate all necessary rules for the administration of
41 this section. Any rule or portion of a rule, as that term is defined in section 536.010, that
42 is created under the authority delegated in this section shall become effective only if it
43 complies with and is subject to all of the provisions of chapter 536 and, if applicable,
44 section 536.028. This section and chapter 536 are nonseverable, and if any of the powers
45 vested with the general assembly pursuant to chapter 536 to review, to delay the effective
46 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the
47 grant of rulemaking authority and any rule proposed or adopted after August 28, 2021,
48 shall be invalid and void.
