

HB 93 -- SCHOOL SUPERINTENDENTS RESTRICTIONS

SPONSOR: Taylor (139)

This bill requires that any contract or employment agreement entered into by a school district with a superintendent must not have a total compensation exceeding three and one-half times the average total compensation provided to all teachers who are employed full time by the school district. The bill also requires superintendents to live within the boundaries of the school district, as specified in the bill.

This bill is similar to HB 2564 (2020).
