

HB 475 -- DIETITIANS (Grier)

COMMITTEE OF ORIGIN: Standing Committee on Professional
Registration and Licensing

This bill allows a person credentialed in the field of nutrition to provide advice, counseling, or evaluations in matters of food, diet, or nutrition to the extent such acts are within the scope of practice listed by the credentialing body and do not constitute medical nutrition therapy, as long as the person does not hold himself or herself out as a dietitian. Such individuals are required to provide certain specified information to their clients. The bill also changes the definition of "medical nutrition therapy".

This bill is similar to HB 2000 (2020) and HB 472 (2019).
