

HB 788 -- DEPARTMENT OF REVENUE TECHNOLOGY FEE

SPONSOR: Tate

This bill authorizes the Department of Revenue to contract with a third-party vendor who will be authorized to collect a technology fee of no more than \$3 per motor vehicle titling and registration transaction and driver licensing or state identification transaction to implement a modernized, integrated motor vehicle and driver licensing system. A third-party vendor contracting with the Department must, no later than July 31, 2026, develop and deliver the system. Six years from the date the technology fee is imposed, the fee will be reduced and will not exceed \$.50 per transaction, with the funds used to maintain the modernized motor vehicle and driver licensing system.
