

HB 808 -- COUNTY OFFICIALS

SPONSOR: Reedy

Currently, a county clerk may transmit in the form of a warrant the amount due for a grant, salary, pay, and expenses to the county treasurer.

This bill provides that, upon request, the county treasurer will have access to any financially relevant document in the possession of any county official for the purposes of processing a warrant. If the warrant is received in the absence of a check, then the county treasurer will have access to the information necessary to process the warrant.

Additionally, no official of any county shall refuse a request from the county treasurer for access to or a copy of any document in the possession of a county office that is financially relevant to the salaries of county officers and assistants. No county treasurer shall refuse to release funds for the payment of any properly approved expenditure.

This bill is the same as SB 27 (2021).
