

HB 888 -- ETHICS

SPONSOR: Doll

Beginning January 1, 2022, this bill authorizes ethics complaints under Section 105.472, RSMo., to be made against legislative liaisons and lobbyists. Legislative lobbyists and liaisons will be required to complete sexual harassment training offered by the Missouri Ethics Commission within 90 days of registration as a lobbyist or appointment as a liaison.

The type of training is specified in the bill and an online list of those completing training as required is provided to the public. The Missouri Ethics Commission is authorized to make rules regarding the training.

This bill is the same as HB 2063 (2020).
