

HB 902 -- EXPUNGEMENT

SPONSOR: Lovasco

Currently, an arrest record is eligible for expungement if the subject of the arrest has no prior or subsequent misdemeanor or felony convictions. This bill repeals that provision. Additionally, currently, when a court issues an order of expungement, each entity possessing records listed in the order is required to close any relevant record in its possession. Under this bill, each entity will be required to destroy any record listed in the order.
