

HB 1184 -- PROTECTION OF FEMALE SPORTS

SPONSOR: Cook

This bill defines "sex" as male or female based on an individual's reproductive biology at birth and an individual's genome. The bill prohibits public school districts and institutions of higher education from allowing an individual of the male sex to participate in a sport designated for the female sex. Any public school district or institution of higher education that violates this prohibition will be ineligible for state aid or other revenue from the state.
