

HB 1368 -- COURSE OF STUDY CONTRACTS

SPONSOR: Kelley (127)

This bill allows for the Board of Education for a school district to contract with any other school district or institution of higher education to provide courses of study or other services for pupils. The bill outlines the process for tuition fee to be paid on a per-pupil amount, a method for resolution of disagreements on costs or services to be presented to the State Board of Education, attendance reporting, and transportation reimbursement.
