

HB 1405 -- ELECTRONIC PUBLIC RECORDS

SPONSOR: Fogle

This bill prohibits the use of public monies to enable self-destructing message technology use by officials and staff or employees of public governmental bodies. The bill does not apply to undercover law enforcement investigations. Such individuals are also prohibited from using their personally owned devices to conduct public business using such messaging technology.

This bill contains a penalty provision.

This bill is the same as HB 2707 (2020) and HB 1254 (2019).
