

HB 1408 -- FEES FOR BUSINESS LICENSES

SPONSOR: Plocher

If a business is closed for at least 60 days solely due to a shutdown order, any fee for a business license will be waived for the business during the period of the shutdown order or six months, whichever is more. Fees for a business license may be prorated.

As used in this bill, "shutdown order" means any order by the state, or an agency or political subdivision, that closes a business during a state of emergency declared by the Governor that is caused by any reason outside the business's control.

This bill will not apply to a license or certification of an individual to practice a profession.

The state will reimburse political subdivisions for revenues lost due to this section.
